

Robina State High School

Year 12 November Exam Block Schedule: Monday Nov 9 to Thursday Nov 12

Memo: Year 12 Students

From: Mr Hoskins, Deputy Principal

Non Authority Subjects (Non OP):

An exam will be conducted for Prevocational Mathematics. There will be no timetabled lessons for any subject during exam week. Selected students will be required to complete catch up work for Hospitality, Industrial Design and Computing as advised by the Head of Department or Class Teacher.

Cardio Pulmonary Resuscitation (CPR)

In order to graduate, students must complete a CPR session Wednesday Week 1, 2 or 3 of Term 4. Students who missed their allocated session must complete a catch up session during the exam block as directed by Mr Wood. This will be the last opportunity to complete this task prior to graduation. Apart from being a vital skill for all to learn, knowledge of CPR prior to graduation is mandated by Education Queensland.

Exam Notes for Students:

- Arrive at the scheduled start time.
- A copy of this exam schedule will be posted on the office window. Go there to check rooms and start times. Updated copies will also be posted on the school website. Go there and print another if you lose this one.
- If you have clashes or more than two written exams in one day consult with me to arrange an alternative schedule to suit. Of course you can do 3 exams in one day if you wish.
- Student bags should be stored outside. Valuables should be brought inside.
- Ensure that all mobile phones are switched off.
- Bring your ID card and place it on the top right of the desk for roll marking. If you have lost your card make a name tag.
- Ensure your name is written on every page you intend to hand in.
- If you have a problem with the test paper raise your hand. A specialist teacher will be nearby to assist. If the wait is long move on to another question.
- Wait to be released by the supervising teachers.
- Be aware of other classes working nearby as you exit the building.
