Franklin's motto is "Franklin: The House of Fun"; The Franklin Flames endeavour to bind together as a team to make the most of school opportunities and events that come their way. Franklin strives to succeed, but ultimately seeks to enjoy and support their team members. The Flames burn brightly at Robina High, they are governed by the school's holistic PROMOTE values.

The Franklin spirit is well and truly alive at Robina High primarily because of students' and teachers' dedication, enthusiasm and participation. The Flames' presence is strong within the school.
