Gooding House aims to make a difference – like our mascot the Gladiator, Gooding students like to stand up and be counted. Gooding Gladiators like to be involved in various sporting and cultural activities and to have fun. Our vision for this year is 100% participation, celebration, care, communication with parents and students, loud house spirit and teamwork. I encourage students to take advantage of the learning and house opportunities presented to them at Robina State High School. GOODING IS GOOD.

Gooding students uphold the promote principles, strive for promote points, value the house structure and like to be involved in the wider community. Gooding students takes pride in their efforts and has taken to heart the promote principals of ownership, opportunity, excellence and teamwork in all student related activities.
