**Pathways Evening for families of Years 8, 9, 11 and 12 students**
- **Wednesday 14th August, 2013**
- **Venue: Student Activity Centre**

We invite all families to participate in individual pathways meetings taking place in two week's time. These individual meetings provide you with the opportunity to meet with your child’s PROMOTE teacher who is their regular point of contact each day. For families of Years 8 and 9 students, you will work with the PROMOTE teacher to reflect on progress to date and plan for the next semester and beyond. This will include support for subject selection for 2014.

For families of Years 11 and 12 students, we will again be reviewing student achievement particularly in relation to progress towards the Queensland Certificate of Education and, where applicable, the OP score. The PROMOTE teacher will work with families to access career and further study sites. We thank our generous P&C for their financial support in allowing us to now use an on-line booking system for families to now secure meeting times from home.

**Bookings open on Friday 2nd August. When booking an interview go to https://www.robinashs.eq.edu.au/**

1. On the school homepage select “Student pathway meeting bookings” from the Quick link’s section.

**Year 10 Information Night and Subject Expo**
- **Wednesday 14th August, 2013**
- **Venue: Performing Arts Centre**

On the same evening, all Year 10 families are strongly encouraged to attend this event which commences at 5:30pm and targets students at this important juncture of their schooling. The program for the evening follows:

5:30pm Presentations regarding Senior Schooling topics such as the OP score, the Queensland Certificate of Education, Expectations of Senior students and a range of other relevant topics.

6:15pm Families move to the Resource Centre to participate in a Subject Expo where you will learn about curriculum offerings for 2014 and meet key staff. Representatives from TAFE and the Kings Unitech program will also be present. You will also have the opportunity at this evening to book in a time for the SET planning interview. These take place on **Tuesday 27th August** and are compulsory for all students in Year 10.

We strongly encourage all of our families to lock in Wednesday 14th August on your calendars and look forward to seeing you there.

Student Absence Line:
5562 3430

Our qualified support staff work hard to support the individual needs of our students.

International Visitors
Over the past few weeks, we have hosted students and staff from two long term partners of this school. St Paul’s School in Tokyo enjoyed two weeks with us and our sister school Chichi-bu High School sent a wonderful delegation of staff and students as part of their annual activities. This year, my family and I had the pleasure of hosting a young Japanese student named Yoshi for a fortnight. It was a very enriching experience for my family and particularly valuable for my two children to spend quality time with someone from a different culture and with a different language. As always, our International Faculty made sure that both schools had a quality experience and delivered a program of activities to both schools that was second to none. Yoko dekimashita!

Lunchtime activities run by Generation
There are several local churches within our community that are passionate about our young people making great life choices and seeing them engaged in positive programs.

Generation has been a local church that has really partnered with our school and invested a lot of their time and resourcing into helping support students. Over the last 5 years they have been involved in lunch time programs as well as running our breakfast program last year.

Generation will this week kick off a brand new lunch time program that will run every second Friday down at the Basketball Courts. This is a great opportunity for students to engage in a range of voluntary activities including basketball and dance.

Students will be reminded of key dates accordingly. Students should also study in an appropriate, comfortable location. An ideal study area should be free of distractions including television, mobile phones and most definitely social media.

Congratulations must also go to the group of 50 Year 8 students that were invited to attend the reward movie night on Tuesday night. These students achieved a minimum of six excellent ratings across the behaviour and effort sections of their report cards. It was a pleasure to be able to acknowledge the hard work and dedication of these students in such a manner. Thanks also to Mr Conditsis and Mrs McCluskey for running this evening.

Best of luck for a successful term!

Year 8 Camp - Tyalgum Ridge Resort
The Year 8 Camp to Tyalgum Ridge retreat is fast approaching! This camp is an integral part of your child’s participation in our Junior Secondary School program in terms of developing personal initiative, as well as leadership and team building skills. Attendance on camp also allows students to build valuable relationships with students that are outside of their existing friendship circles.

It is essential that all payments are received at the school payment window by Monday, 12 August 2013. Details of the camp are as follows:

- **Date:** 19-21 August 2013
- **Time:** Depart 9.00 - Return 21 August, 3.00 pm
- **Cost:** $250
- **Meals:** All meals are provided
- **Activities include:** Low ropes, high ropes, mountain biking and archery, orienteering, bush walking, initiative/team building activities and night games.

Any enquiries regarding this camp should be directed to our Year 8 Leader – Mr Tait Conditsis. Phone: 5562 3453 Email: tcond5@eq.edu.au

PowerUp Project
Three of Robina State High School’s exemplary Junior Secondary teachers; Tait Conditsis, Mayumi Logan and Shonna Napier have been invited to participate in the ‘PowerUp’ project. This project is a regional initiative designed to support schools in engaging innovative digital teaching methods involving games based learning. The project in addition to harnessing the power of 21st century learning methods, also hopes to target student improvement in literacy. In particular the project will focus on the types of vocabulary students at our school use across multiple contexts and aim to improve links between Upper Primary and Junior Secondary teachers. The teachers involved are planning to implement games based learning as part of the Year 8 SSOE program and Japanese Immersion Mathematics. I look forward to sharing more with you regarding this exciting program in the near future.

Junior Secondary Futsal Excellence Day –
Congratulations to the local primary schools that joined us last Friday, 26 July for our annual Primary School Futsal Excellence Tournament. It was fantastic to see the primary school students of Worongary State School, Robina State School, Mudgeeraba State School and Clover Hill State School work in partnership with our senior futsal students. Special congratulations must go to the Robina State School girls’ team and the Clover Hill State School boys’ team who took out their respective finals. Thanks must also go to all of the staff involved in organising this successful tournament as well as our Senior Futsal students for their fantastic job mentoring their primary school protégés! Well done!

Regards
Ben Weeks
Head of Department – Junior Secondary

Junior Secondary Update
It is already week four of term and all Junior Secondary students should now be working hard toward maximising opportunities for success. All students should be encouraged to display good study habits to ensure they comply with all assignment tasks successfully and are adequately prepared for exams. Ensuring that your childsets aside regular portions of time for study that fit in with your family schedule is absolutely essential. The amount of time students spend studying may differ and should be planned in consultation with the Student Assessment Planner issued by the school. All Junior Secondary students should have some form of homework, study or revision to do every night. It is also helpful for the student to mark assessment dates on the family calendar so that they can be reminded of key dates accordingly. Students should also study in an appropriate, comfortable location. An ideal study area should be free of distractions including television, mobile phones and most definitely social media.

Congratulations must also go to the group of 50 Year 8 students that were invited to attend the reward movie night on Tuesday night. Year 8 Japanese Culture Day: Thursday August 8

Year 8 students are reminded that they need to pay their $15 if they wish to be involved in the hands on activities planned for the Year 8 Japanese excursion of Thursday 8 August. Students who wish to have morning tea and lunch included should pay $25. On this day there will be none of the usually scheduled year 8 classes. Instead students will enjoy karaoke, koto, taiko, kendo, yakkusu, anime, shodo and sumo. Students who do not wish to participate will be able learn about these activities via a research assignment that they will complete in the library that day.

Parents are welcome to contact Mrs McCluskey (HOD Japanese) via smccl13@eq.edu.au about a payment plan if this will assist student involvement.

Curry Rice Fundraiser Lunch August 1

Thank you to parents/students who have already ordered and paid $4 for a Curry Rice Lunch. Please support this fundraiser that will raise money for school fees for three children of Tore Island Fiji. Without our support these three children would not be able to attend school. Thank you in advance of your support.

Golf

Amy Walsh, Ben Elliott and Hyun Sik Kong were all selected for the Qld Golf team to compete in the National Champs in Victoria. This is the highest number of students to represent from our school, three out of the team of twelve.

Amy Walsh won the NSW Junior Championships during the holidays. This goes along with her WA Junior Champion and SA Junior Masters titles.

Futsal

On Thursday 18th July the open boys Futsal team competed in the State titles in Brisbane. It was an amazing day with the boys sweeping their group pool and being the number one seed. The semi-final was tough, we were up against Toowoomba Grammar. The game was heated, and it took 2 great late goals by Lyndon Dykes to seal the win. In the final we were up against Corinda High school, a school that beat us in the South East finals. We were up for the match from the beginning with Lyndon and Luke Hilan giving us an early lead. As the match progressed we took control with Kade Franklin and Lyndon scoring again to put the game away! The boys were awesome all day.

16 Girls Futsal Success

Last Friday I had the pleasure of taking our 16 yrs Girls Futsal team to the State Titles held at Cornubia. Robina started strong, defeating our first opponent, Mt Alvernia College 5-1. The girls continued to dominate in their next game against Calvary College, winning 3-2. The following game against St Peter Claver was a tough one and unfortunately we went down 1-0. Robina finished strong with a win against St Mary's College. The girls had played 4 tough games and fought hard in the semi final, but曼岛SHS were too strong. Because our girls finished top 2 in their pool, they automatically qualified for the National Titles to be held later in the year. What a great result! Please congratulate the following girls on being such wonderful sporting ambassadors for Robina High.

16 yrs Girls Futsal: A Team:
Beth Curtis, Emma Ellis, Jodi Crowley, Tayla Marshall, Taylor Harris, Izzy Garth, Claire Poissant, Casey Watson.

Mooting Competition – Legal Studies

The Quinn and Scattini Mooting Competition was held on Thursday 25th July 2013 at Beenleigh Court with 5 schools in the district participating. Robina SHS was representing the defendant, accused of serious assault of a police officer, in the line of his duty. The plaintiff, the police officer, was represented by Somerset College. The RSHS legal team consisted of three Year 11 Legal Studies students; Junior Counsel – Ashleigh Liversedge, Senior Counsel – Luke Sinclair as Cross-examiner and Harry Kantor for the final summation.

Luke Sinclair commenced proceedings with a cross examination of the police officer, proving to be very thorough in his delivery of the facts and maintaining the attack when interrupted and questioned by the Judge. Luke’s cross-examination did not leave room for an adequate rebuttal by Somerset.

An outstanding summation of the case for the defence was given by Harry who impressed the Judge with his direct, calm manner and innovative presentation of the facts. In fact, Harry’s argument totally surprised the Judge and Somerset team as it was the most original approach and not considered by any of the other schools participating. Harry was highly commended by the Judge and the Somerset team.

Ashleigh, Luke and Harry displayed great skills and knowledge and proudly represented Robina State High School in a challenging and competitive environment. Congratulations and well done!

Helen Goldsmith
**Student Successes**

**South East Regional School Based Traineeship and Apprenticeship (SAT) Awards Finalists**

Congratulations to Shannon Hodges and Nadja Hannebach who are finalists in the South East Regional SAT Awards.

Shannon is undertaking a school based Mechanical (Motorcycle) Apprenticeship with Luke Beechey Motorsports and Nadja is undertaking her school based hospitality traineeship at Mercure Gold Coast.

**Courtney Patterson** in Year 8 competed in the Cycling Queensland State Championships in the June school holidays. She won 3 Gold medals in all 3 events and has been selected to represent Cycling Queensland for the Road Nationals which are held in Wagga Wagga in September.

**Joseph Gibson**, Year 10 student won 1st Prize in Art and 2nd Prize in Woodwork at the Mudgeeraba Show.

**Sophia Blinks**

During the holidays Sophia Blinks, Year 11 performed at the Brisbane Convention Centre. Sophia was selected as one of the best 77 Instrumental Music students in Queensland and received a scholarship to participate in the Creative Generations Biannual Musically Outstanding Students Program (M.O.S.T.), which was hosted by James Morrison. The concert was the culmination of an intensive 10-day residential program in which Sophia was tutored by some of Queensland’s premiere musicians. This is the second consecutive M.O.S.T. that Robina have been represented at, with Tatsuki and Satoshi Shiratsuchi representing Robina State High School in 2011. Bravo Sophia.

Submissions now open for 2014 Premier’s Anzac Prize

Do you want to learn about our Anzac tradition and go on an educational adventure of a lifetime?

Year 8–11 students can now submit a two- to five- minute multimedia presentation for the 2014 Premier’s Anzac Prize with five lucky winners touring Gallipoli and the Western Front next year as part of Anzac Day commemorations. The 2014 will tour will take in historic sites and cities including Anzac Cove, the Menin Gate, Villers-Bretonneux, Istanbul, Brussels and Paris.

Videos, photos and journals from the 2013 tour group — along with other resources — are available on the Premier’s Anzac Prize web page www.education.qld.gov.au/anzac-prize/

Schoolies Volunteers

New Volunteers are currently being recruited to register as Schoolies Support Team (SST) Volunteers for the annual Gold Coast Schoolies Community Safety Response.

In November each year following the conclusion of Year 12 within the Queensland education system, thousands of school leavers descend on the Gold Coast to celebrate their achievements. As a result the Queensland Government coordinates a Safety Response.

In excess of 1,000 Volunteers from all walks of life and a variety of community organisations participate each year to support the school leavers enjoy their celebrations safely.

Annually the SST Volunteers assist with authorised wristband distribution, conduct street and beach patrols and provide walk home services, a friendly smile and a wise ear to school leavers. The SST Volunteers wear bright orange tabards during their duties in order to be easily identified and provide important information about the schoolies hub, safety response and overall experience.

Volunteers are being sought for this year’s Safety Response. Some Volunteers are required during the day on the first Saturday with the rest of the week involving night time work 6pm to midnight approximately. You can volunteer for as little as one shift or if super keen you can participate every day!

All Volunteers are required to hold or obtain a Positive Notice (Blue Card) for Working with Children from the Commission for Children, Young People and the Guide Guardian in Queensland. You will be assisted to obtain your Blue Card, free of charge, as part of the volunteer recruitment process.

Being an SST Volunteer is a fantastic way for parents of school leavers to connect with the safety response without cramping the style of their children. Often Mums and Dads also volunteer in the years prior to their children leaving Year 12, so that they can experience the safety response directly and be more assured and prepared for the day their own child wants to join in the excitement.

Consider volunteering today. Visit the website for more information or to register your interest: www.schooliesvolunteer.com.au or call Crime Stoppers Queensland who are the SST Volunteer Coordinators on 1300 309 355. Crime Stoppers Queensland is a registered charity and community volunteer organisation.
Student Pathways Opportunities

Student Pathway opportunities for traineeships, work experience and courses are available from Mrs Allen at the Student Pathway Office or can also be found on the School website:

Current School Based Traineeships

School Based Traineeships/Apprenticeships (SATs) allow students to do paid work for an employer and train towards a recognised qualification while they are still at school. They are a great way for young people to explore their career options and develop skills and confidence in their areas of interest.

Students wishing to undertake a SAT need to demonstrate the responsibility and commitment to balance work and training while completing Years 10, 11 or 12. SATs can contribute 4, 6 or even 8 points towards a Queensland Certificate of Education.

Students applying for traineeships must have an interview with Mrs Allen prior to application.

What is Work Experience?

Work experience involves working with an employer and staff, at their workplace in an industry you may be interested in. It usually goes for five weeks with students going one day per week, or you can attend during the school holidays.

Work experience is unpaid. Mostly, you do basic ‘entry level’ duties. Work experience is the most effective way to decide and prepare for a future career. You will get:

- Hands-on experience in a real workplace
- A head-start for a traineeship/apprenticeship or part time work
- Experience and skills to put on your resume
- Employers are more likely to employ you if you have experience. That’s because you will have a good understanding of what’s involved in the job, plus you will have real experience.

All students wanting to undertake work experience must complete ‘safety sense’ a workplace health & safety program for secondary students. Go online to http://www.deir.qld.gov.au/workplace/pdfs/safetysense/index

Career Information Sites

Industry Liaison Officer: Mrs Robyn Allen
Ph: 5562 3445 or email: ralle14@eq.edu.au

White Card (Safety)

Many students will enter the building and construction industry through a variety of occupations.

One of the requirements to get onto a construction site is the successful completion of the construction industry induction – also known as the White Card.

This is nationally recognised and issued to a person who successfully completes competency unit CPC-COH51001A (Work Safely in the Construction industry). People that require this card include the self employed, apprentices, trades persons, labourers and anyone working on a construction site (e.g. students on structured work placement).
The Schools Program offers secondary school students in year 10, 11 and 12 the opportunity to attend GCIT 1 day per week over 1 or 2 years to complete a Certificate I, II or III course. GCIT delivers Certificate qualifications in a wide range of industry areas including Construction, Hairdressing, Health, Fitness, Engineering, Tourism, Events, Children’s Services, Hospitality, Media and many more.

These courses are one-day-a-week at TAFE courses and all contribute to QCE credits. (Cert I=2, Cert II=4, Cert III=8)

Students need to come to Student Pathways office for an interview with Mrs Allen prior to application. They will need a code to validate their online application only given after a chat to Student Pathways.

Applications open now for 2014 Courses

- Certificate II in Retail - Make-up and Skincare 1 Year
- Certificate II in Applied Fashion Design 1 Year
- Certificate II in Hairdressing 1 Year
- Certificate III Children's Services 2 Years
- Certificate III Fitness 1 Year

Go to: http://gcit.edu.au/prospective-students/school-students/index for more information.
The Direct Entry and Scholarship program allows students the chance to secure a place early and guarantee entrance into a Diploma at GCIT without using an OP or Rank score. The Direct Entry program offers are granted based on a written application addressing three key selection criteria's including suitability to industry, work ethic and communication skills & related school/TAFE vocational studies. A selection of scholarships are also awarded to applicants each year who have submitted an outstanding Direct Entry application. These scholarships include:

8 x Full Scholarships  
4 x Half Scholarships

Diploma Programs include but are not limited to:

- Advanced Diploma of Engineering Design
- Diploma of Beauty Therapy
- Diploma of Building & Construction (Building)
- Diploma of Building Design & Technology
- Diploma of Business & Commerce Studies
- Diploma of Children's Services (with a completed Certificate III in Children's Services)
- Diploma of Community Services Work
- Diploma of Events
- Diploma of Graphic Design (Portfolio Required)
- Diploma of Hospitality
- Diploma of Interactive Digital Media (including Certificate IV in Digital Media)
- Diploma of Nursing (Enrolled/Division 2 Nursing)
- Diploma of Tourism
- Diploma of Fitness (You need to indicate on your application if you have completed Certificate III Fitness)
The Griffith University Early Start to Tertiary Study (GUESTS) Program provides motivated students with an opportunity to improve their eligibility for university entry by studying a single university course (subject) alongside senior secondary studies.

GUESTS students attend classes with undergraduate students and are able to experience some of the challenge and excitement of university life. GUESTS are enrolled as a single course of study student1 Griffith University students and receive a student ID card. They have access to a range of resources and services including libraries, online learning resources, careers advice and learning skills workshops.

GUESTS who complete one university course and achieve a Pass grade or better are eligible to receive a Guaranteed Offer of Entry to a wide range of undergraduate degree programs at Griffith University. GUESTS receive one bonus admission rank towards other Griffith University degree program preferences2 when applying through the Queensland Tertiary Admissions Centre (QTAC) or the NSW Universities Admissions Centre (UAC).

Successfully completed courses undertaken through the GUESTS program count for credit towards degree requirements. GUESTS students are sponsored by Griffith University and are not required to pay tuition fees or student contribution charges whilst studying through the program. Personal study costs such as textbooks, stationery and photocopying are the responsibility of the student.

Some programs are exempt from guaranteed entry and full details of the program together with application forms can be found on the Guaranteed offer exemptions webpage.

**Summer Semester intake**
There are two summer semesters at Griffith University. Applications for summer semester courses under the GUESTS program are open and available to students in year 11 only. Please refer to the Summer Semester page for courses available to GUESTS students.

Submit the GUESTS application form and include your semester 1, year 11 school report.

*Applications close on 15 September.*

**Semester 1 intake**
You may apply at any time after you have received your Year 11 semester 1/mid-year school report.

*Semester 1 applications for the GUESTS program. are due by 15 October each year.*

BOND UNIVERSITY STUDENT FOR A SEMESTER IS OPEN

YEAR 11 STUDENTS
Are you an ambitious, high achieving student who would benefit from a head start on your university studies?
Participants of the Bond University Student for a Semester program gain a distinct advantage over their peers by completing a tertiary subject and getting a true experience of university life, before they leave high school.
For a step-by-step guide to applying for this program for future semesters, please view the Student for a Semester Application Procedure at http://www.bond.edu.au/study-at-bond/application-enrolment/application/student-for-a-semester-application/index.htm Tuition for one Student for a Semester subject in 2013 is $238.00 and includes access to all of Bond’s campus facilities. Please note: Students may also need to purchase a textbook and other course materials.

Applications for the September 2013 semester are online and close August 9th.

QTAC Applications open Thursday 1 August 2013. The due date for on-time applications is Friday 27 September 2013, higher application fees apply after this date.

You will need your LUI (Learner Unique Identifier) and your PIN (your day and month of birth). Your LUI is a 10 digit number that the Queensland Studies Authority uses to identify you and is on the back of your school ID Card. Contact Student Pathways if you don’t know your LUI. In preparation for your QTAC application, check your QTAC guide for information on institutions and courses.
