Subject/Program Levies

To be eligible for subjects/programs that incur a levy, selection of these subjects/programs is dependent on the participation in and payment of the Student Resource Scheme. Full payment or first instalment of the Student Resource Scheme must be received prior to or at the same time the subject/program levy is paid.

Payment of all subject/program levies is required in full upfront by the set due date (Thursday 11th November 2021) to secure your student's place in the subject/program. There are no other payment options offered for Subject/Program Levies. Students enrolling or changing subjects/programs after this due date will be required to make full payment upfront to the Payment Window before they can be timetabled into the subject/program.
