c. Checking your balance

When you login to Compass, view your 'Student Chronicle' on the right-hand side of the page. The graph on your dashboard will show how many Billie's Bucks you have earned. Please **CHANGE** the filter from This Year to ALL – your previous points from previous years are accumulated.

Your Chronicle will also show the staff who have awarded you Billie's Bucks and the reason why.

When you redeem points your balance will not drop automatically. Points will be deducted once your prize has been packaged. Students will automatically receive email from Compass that their order has been processed.

Below graph shows a student receives **34 times Billie's Bucks** from the teachers (**Visible in Compass App and Desktop**).

Total points student has **257** (only visible in desktop).

You must know your Total Points to be able to redeem through Billie's Bucks catalogue.
