Cricos provider: 00608A

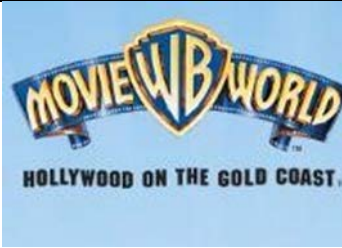

This is a great activity for you to do before you arrive in Australia.

We will talk to you about what activities and sightseeing you would like to do while you are with us. The list below is a sample of what we can offer you at different times through the year. All activities offered are based on how many students want to do them. This means if we have enough students then we can request permission from the Principal to organise them. Costs for each excursion/trip are based on how many are participating.

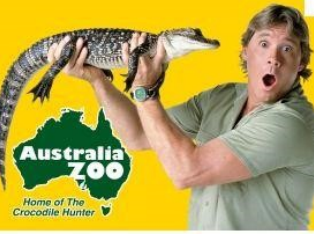

What you can do now:

1. Think about what experiences you would like to have while here (google is your new friend – google the 10 best things to do on the Gold Coast). Write them down or tick them if they are already on this list. This is a good exercise to discuss with your natural parents & a great way to plan your budget.
2. Count how many weekends you have while you are here. Remember the first weekend of the school term you will spend with your host family so you should not include it in your count.
3. Look at your list and look at how many weekends you have to fit it all in – maybe you will need to stay longer!
4. Remember –the activities listed are a guideline for you and are not available every term.

Please complete and return as soon as possible to the International Department’s email address: international@robinashs.eq.edu.au

WHAT WOULD BE ON YOUR LIST?

What else is available?

All international students must have medical insurance and it is included in the application process. Your medical insurance is different to personal travel insurance. If you register to join a trip with EQI Adventure Tours (Terra Australis – Terra Tours) you must have travel insurance. Travel insurance with Oceanic Tours (overnight) is optional. Having medical and travel insurance with the same company may be cost effective and streamline assistance if it is required. Talk to your agent about including travel insurance in your cover.

Pre-booking your trip reduces the risk of disappointment.....we don't want you to miss an opportunity to visit some of our country.

EQI Adventure Tours: <https://eqi.com.au/for-students/holiday-adventure-program>

Go online and book your trip before you leave home to ensure your spot as these trips book out quickly. These tours are provided to all EQI students studying in Queensland which means you travel with other International students from different schools – remember to include the Robina SHS International Staff in your plans: international@robinashs.eq.edu.au

Oceanic Tours: <https://www.oceanictours.com.au>
