

Assessment of My Performance Last Semester

The following is a checklist to help you reflect on your achievement at school and to think about where you want to go from here.

In column one rate yourself honestly from 1 (not at all) to 10 (all the time) on each point

In column two set a rating to achieve by the end of the semester.

	Current Rating	Goal Rating
I am focused in class.		
I ignore distractions.		
I complete set work.		
I complete work on time.		
The work I submit is my best.		
I ask questions when I don't understand.		
I see my teachers outside of class for help.		
I use my spare class time to finish other tasks.		
I behave as my teachers' expect.		
I am involved in activities around the school.		
I hand in drafts for my assignments.		
I start assignments at least two weeks before they are due.		

Now it is up to you to make the change.
