Robina High School Futsal Excellence Program

Many International students have been involved in our Futsal program. The Futsal/Football program has been running for over 12 years at Robina High.

Since conception our program has been very successful in inter-school and local competitions. Many of the Futsal students have been able to further their Futsal/Football career with the skills acquired through the Robina High School Excellence Program.

One of our many successful students is John Costello who went on to play for Gold Coast United in the A League.

Futsal/Football students are involved in a fully time-tabled subject which consists of 3 x 70 minute lessons, 4 hours of training and 1 x 70 minute game each week against other schools that consist of 2 x 35 minute half’s during normal school sport time.
